Past President Message

Well, I technically am off the hook as of last month. The Past President has to serve only for one year. So, actually, I have two invisible friends, President and Past President, to help through the upcoming guild year. We are the Three Musketeers, or maybe the Ghosts of Guild Past, Present and Future. I believe I need to craft what is known as an “exit strategy” as one of my “friends” pointed out that I and my invisible friends have essentially checked in to the Hotel California – Guild Executive wing.

But while I am here, I want to say that I thought the Annual Meeting was a success – we have filled almost all the positions on the Executive, we received valuable feedback from the membership and, at this month’s Executive Meeting, we will be laying out a plan for next year’s guild activities taking all of that into account.

Some might quibble that we have no President or Vice-President. A cornerstone of my exit strategy will be when somebody gets tired of listening to me (I’m not that great a speaker or a leader) and suggests that the guild would benefit from somebody else’s ideas. And when that day will comes . . .
